Re: Notice of File Closure for Small Mining Activities, Snowflake Mine, S/027/060, Millard County, Utah

Dear Mrs. Oertle:

This letter is to notify you that file #S/027/060, for the Snowflake small mining project, located in Sections 23, 24 and 26, T23S, R9W, Millard County, Utah, will be retired from our files.

The BLM recently notified the Division that Loy Crapo had submitted a document to them wherein he assumed your late husband's reclamation liabilities on this project. The BLM subsequently combined your late husband's file with that of Mr. Crapo's (Division file number S/027/020). Because this project is located on BLM managed lands, we will accept the BLM's decision and close out our file for this project.

You are hereby released from any further mining or reclamation responsibility at this site. If you wish to conduct any mining in the future, you will need to submit the appropriate notice of intention and receive written approval prior to creating any surface disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
Senior Reclamation Specialist
